As a seasoned digital marketing strategist with 7+ years of experience, I've successfully led numerous projects for clients ranging from startups to established brands. My expertise lies in delivering results-driven digital solutions that elevate brands and drive growth.

From crafting compelling brand identities to executing effective marketing campaigns, I'm passionate about leveraging creative design and strategic thinking to achieve tangible outcomes. My portfolio showcases a diverse range of projects that demonstrate my ability to deliver exceptional results.

Let's work together to elevate your brand and achieve your digital goals.

Mammoth Media

Marketing Strategist

2024-PRESENT

As founder of Mammoth Media, I lead a team of dedicated professionals committed to delivering exceptional digital marketing solutions. With a focus on innovation and results, we help businesses of all sizes achieve their goals through strategic branding, creative design, and effective marketing campaigns.

Plexus For Youth

Motion Designer

2020

As a Creative Motion Designer at Plexus for Youth, I created engaging content that inspired young people to become effective leaders. My work helped us reach a massive audience and contribute to the organization's growth. Despite leading a small team, I successfully managed a heavy workload and contributed significantly to Plexus for Youth's growth and expansion.

NxtWay

Video Editor

018-2020

As a video editor at Nxtway, my job was to craft engaging and visually compelling content for a variety of projects, including TV commercials, advertisements, and online video content. My work involved seamlessly blending video footage, audio, and graphics to create impactful and memorable storytelling.

ECF

Video Editor

2020-2021

During my time at ECF, I focused on editing video content for YouTube podcasts. This role required me to have a keen ear for audio quality and a strong understanding of video editing techniques to ensure a smooth and enjoyable listening experience for viewers.
